Alberta, let your hair hang low trad. Blues

Alberta, let your hair hang low.
Alberta, let your hair hang low.
I'll give you more gold than
your apron can hold,
if you just let your hair hang low.

Alberta, what's on your mind?
Alberta, what's on your mind?
You keep me worried,
you keep me restless all the time
Alberta, what's on your mind?

Alberta, don't you treat me unkind.
Alberta, don't you treat me unkind.
O, my heart is so sad
'cause I want you so bad.
Alberta, don't you treat me unkind.
