

What shall we do with the drunken sailor, what shall we do with the drunken sailor,
 what shall we do with the drunken sailor, early in the morning? Hoo-ray, and up she rises,
 hoo-ray, and up she rises, hoo-ray, and up she rises, early in the morning.

What shall we do with the drunken sailor,
 What shall we do with the drunken sailor,
 what shall we do with the drunken sailor
 early in the morning?
 Hooray, and up she rises,
 Hooray, and up she rises,
 hooray, and up she rises
 early in the morning.

Give him a dose
 of salt and water, ...

Put him in the long-boat
 till he's sober, ...

Heave him by the leg
 in a running bowlin', ...

Take him and shake him
 and try to awake him, ...

Give him a taste
 of the bosun's rope-end, ...

Pull out the plug
 and wet him all over, ...

That's what to do
 with a drunken sailor, ...
